Dear Mr. Bukler:

all of our Sacramental Registers up to and including 1920 have been transferred to the Archdiocesan Archives. There are one or two volumes that span time before 1920 and after 1920, these we still have on hand.

We maintain a card file on all Registers, including those transferred, and were able to research the BOTHER name as shown on the attached list. We only research the actual Sacramental Registers when requests are made for copies of certificates. The offering for each certificate requested and issued is \$5.<sup>00</sup>.

Requests for information from the Archdiocesan Archives are handled by mail, addressed to:

Dept. of Sacramental Registers  
Archdiocese of New Orleans  
1100 Charter Street  
New Orleans, La. 70116

The Archival Staff does not research general family lines, or respond to general requests for genealogical research. They only conduct searches and, when possible, issue certificates for specific records.

Hope the enclosed list and above information will be helpful.

Sincerely,  
J L Covell, Archivist
