Hope.

Yes, death is at the bottom of the cup. And every one that lives must drink it up. And yet between the sparkle at the top And the black lees where lurks that bitter drop There swims enough good liquor, heaven knows. To ease our hearts of all our other woes. The bubbles rise in sunshine at the brim. That drop below is very far and dim. The quick fumes spread and shape us such bright dreams. That in the glad delirium it seems As though by some deep sleight, if so we willed. That drop untasted might be somehow spilt.

—W. D. Howells.

The Villain Still Pursued Her.

Channing Pollock cites a certain melodrama produced a few years ago on Fourteenth street, New York, as containing the busiest and most inconsistent villain ever created.

In the first act he tied the beautiful heroine to a railroad track just as the limited was due. In the second he lured her into an old house, then locked her in an upper room and set the place on fire. In the third he strapped her under a buzzsaw and set the machinery in motion. In the fourth he tore the planking out of the Brooklyn bridge, so that her automobile plunged through to the raging flood below.

In the fifth act he started to make love to her. She shrank from him. "Why do you fear me, Nellie?" he asked.—Success Magazine.

The Scrap Book

A Mutual Surprise.

A Springfield woman grew suspicious of her husband and believed him to be in the habit of kissing a pretty servant girl in her employ, so she decided to watch him and catch him in the act. She heard him enter the kitchen quietly one evening when the pretty servant girl was out. She immediately placed a shawl over her head, slipped down the back stoop and, with matches in hand, entered the dark kitchen by the back door and was almost immediately seized and kissed in the most ardent manner.

Bent on administering a terrible rebuke, the enraged wife tore loose from his embrace and struck a match. There, with his knees knocking together, stood the servant girl's beau.—Boston Herald.

DESCRIPTION: Made in all sizes. Lightest and easiest riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have never been pumped up once or twice in a whole season. They weigh no more than ordinary tires, the puncture-resisting qualities being given by several layers of this specially prepared fabric on the tread. The regular price of these tires is \$5.50 per pair, but for advertising purposes we are making a special factory price of only \$4.80 per pair. All orders shipped same day letter is received. We ship C. O. D. on approval. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 5 per cent (thereby making the price \$4.60 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. You run no risk in sending us an order as the tires may be returned at OUR expense if for any reason they are not satisfactory on examination. We are perfectly reliable and money sent to us is as safe as in a bank. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be well pleased that when you want a bicycle you will give us your order.
