Mary was a very dear friend. We shared many memories together. We both spent countless hours talking and laughing on the phone and an occasional get-together. We had our weekly Thursday, talks this was our special time we shared together. We each would get a glass of wine and enjoy the evening sometimes into the morning hours. Mary was like a sister I never had. She was my best friend and will always be that best friend. She was a very special, caring and a giving person. Finding a friend so special is very hard to come by and I will miss you dearly.

Rest in peace my dear friend you are without pain and know with your baby girl and your daddy and with God.

With Love your Friend,
